Hastings Choristers warmly welcomes you to today's cosy concert in the beautiful Kendall Hall. Our Cantabile female ensemble ranges up to fifteen voices - all juggling their love of singing with work, study and family commitments. Many thanks to all who performed today. We are fortunate that our Hastings Choristers family includes Lydia and Carol – two of the area's finest musicians. A big round of applause to our young friends, Francesca, Abigail and Joris, who I'm sure you'll agree have amazing futures ahead of them, and to our long-term friend Ruth who brings ukulele joy to the mid north coast. Our next big attraction is a Christmas treat, with Cantorus choir performing excerpts from **Handel's Messiah** in Taree and Port Macquarie on **14-15 December**. This will feature renowned Sydney organist Heather Moen-Boyd. Pick up a flyer while you're here and we hope to see you in December. Many thanks again for your support today. **Robyn Ryan OAM**
