About Hastings Choristers Inc ...

Hastings Choristers Inc is a community choir formed in 1990 to promote the art and practice of choral singing in the Hastings region. In business terms, our Mission is:

- ☞ To enjoy making music together.
- ☞ To provide our audiences with quality choral concerts covering a broad range of musical styles and periods.
- ☞ To improve our own vocal skills through sequential voice building exercises.
- ☞ To foster enthusiasm and interest in singing in young people.

The choir is funded entirely by the financial contributions of its members and by the three or four major concerts it produces each year. The Choristers also take part in other concerts both within the local area and further afield – for example, this year we have been invited to join the Beethoven Society in their presentation of Beethoven's 9th (Choral) Symphony in the Sydney Opera House on 7th July 2003.

We are always pleased to welcome new members (and tenors are positively worshipped!). If you would like to find out more about us, please speak to a member of the choir or contact us at: P.O. Box 1979, Port Macquarie, NSW 2444. Alternatively, you will find further details on our local website www.midcoast.com.au/~choristers.
